THE WESTIN MISSION HILLS TENNIS CLUB

TENNIS FOR LIFE CLINICS

Our most successful program! Providing an incredible introduction to the simple and efficient PBI teaching concepts. We never cancel clinics. Even one participant will receive instruction for a prorated amount of time.
See schedule for clinic times.

\$40 per person for the morning clinics.
\$35 per person for the afternoon clinics.

JUNIOR TENNIS CLASSES

For Junior Players of all levels, we emphasize the three Fs for Junior Tennis...FUN, FUN, FUN! Don't worry, we will also make sure your child learns the key fundamentals of the forehand, backhand, serve and volley.

See schedule for Junior clinic times.
\$25 per child.

PLAYER MATCHING

We go the extra mile to match you up with players of your ability. In fact we GUARANTEE you this service with 24 hours notice. If by some chance we fail, we provide our guests with a FREE 1/2-hour lesson with one of our PBI professionals or a FREE 1/2-hour on the ball machine. We take this responsibility very seriously, but it often take 15 or more phone calls to put a match together, so give us a couple of days if you can.
We want your matches to be enjoyable.

5 MINUTE QUICK TIP

A PBI professional will come to your court, with a head full of helpful hints for your game. Players can choose any aspect of their game that needs help, and the PBI professional goes to work. Scheduled upon pro availability, the Quick Tip is helpful to anyone who chooses to participate.

Complimentary when a PBI professional is available.

TENNIS ROUND ROBIN

This fun doubles round robin gives you a chance to compete in a fun, social atmosphere while you also meet new tennis friends. Our PBI professional will mix-and-match players over the course of the round robin, so you don't even need a partner to sign up. We'll even throw in some free tennis tips. This is an opportunity you won't want to miss.

See schedule for round robin times.

\$30 per person.

4.0+ DRILL SESSIONS

For 4.0 NTRP level or higher, this is just what it sounds like...a drill session; a really good workout with a lot of balls being hit in a wide variety of drills. If you're hoping for the pro to stand and feed balls, this is not for you. We emphasize "live ball" drills.

See schedule for drill session times.

\$35 per person. (Mid-October - April)
